INCLUSIVITY TRAINING

ABOUT US

Inclusivity is at the core of our work. With 20 years of delivering inclusive training, we have the hands-on experience and practical know-how to best support your team:

- Our award-winning volunteer programme engages over 35 volunteers termly, offering experience and training in inclusive practice.
- Our Inclusive Resource Packs are accessed hundreds of times every month.
- Our weekly sessions engage over 100 young people per term, with over a third who have additional needs.
- Our outreach delivery reaches over 500 participants annually in schools, Youth Clubs, PRUs and SEND provisions.

Angel Shed are highly regarded as a company, not only for the outstanding quality of their work but also for their inclusive approach.

WHAT WE OFFER

Angel Shed's Inclusivity Training is for organisations who are looking to work more inclusively – be that within their staff team or with service users.

In this training, we will share practical tools, knowledge, and strategies on inclusive leadership, communication, and behaviour management. Incorporating a variety of learning styles, the training is creative, active, playful, and engaging. Our training is typically accessed by performing arts companies, education providers, and others working with children or young people. However, the bespoke nature of our offer allows anyone to deepen their understanding and practical approach to inclusivity including customer-facing teams and client-orientated professionals.

We deliver half-day and full-day training sessions with both face-to-face and online options to suit different group sizes and budgets. Included in our offer:

- Free and friendly consultation
- Bespoke planning by an experienced Training Manager
- Training delivery by expert facilitators
- Range of resources to develop and embed learning

The training was invaluable for our staff. It gave them a much-needed safe space to discuss the complexities of inclusive practice with the support of experienced Angel Shed professionals. Most importantly the staff were able to leave the session having discovered/formed concrete techniques and strategies to implement in their classrooms. We will definitely be working with Angel Shed on further inclusive practice workshops in the future.

BESPOKE CONTENT

We create a bespoke training package for each organisation we partner with. We will work with you to deliver training that best suits your requirements. Our standard offer includes:

WHAT IS INCLUSIVITY?

We will reflect on inclusivity together, looking at inclusive strategies used by Angel Shed and explore how these could work for your organisation.

INCLUSIVE GAMES

We will play a selection of fun, inclusive circle games that inspire confidence and trust, build team work and support energy and focus.

POSITIVE BEHAVIOUR SUPPORT

We will learn about inclusive strategies for managing challenging behaviour: exploring triggers, discussing prevention and understanding how we can respond safely and inclusively.

INCLUSIVE COMMUNICATION

We will consider practical approaches to supporting communication: including for those who have English as an additional language, are neurodivergent, or non-speaking.

Our offer can also include modules on:

- approaches to supporting additional needs
- basic introduction to Makaton
- curating welcoming, inclusive and safe spaces
- inclusive recruitment and interviewing methods
- safeguarding with SEND
- inclusive language
- de-escalating challenging behaviour

Angel Shed delivered training in inclusive practice to our team of public speaking trainers. They did a fantastic job of adapting their content to suit our setting and providing training that was collaborative and experiential for our team of highly experienced facilitators.
