We are launching a new inter-generational singing group in the Summer term. It will be open to children (aged 7+) and young people, alongside parents, carers and other members of the community. Two Co-Leaders will deliver sessions supported by a facilitator teaching creative signing, Access Support Workers, and a team of volunteers.

We aim to establish a positive environment where participants, regardless of their backgrounds or experiences, can work together inclusively to create artistic work over which they have shared creative control and ownership. No experience is necessary for members to join the Choir and we support creative responses regardless of previous experience. Repertoire may include covers and/or original songs from the group. The group will be working towards taking part in a performance in July, alongside Angel Shed's Music Collective and other performers.

This is a Lead Facilitator role, responsible for the planning and delivery of weekly Angel Shed Choir sessions, stimulating and furthering music skills through engaging and appropriate activities. We are looking for motivated, dynamic, and committed facilitators who are passionate about inclusion, music, and working with children and young people. The successful applicant will enable creative responses from participants, enhancing their artistic, personal and social development. They will be a playful facilitator who can handle the creative unpredictability of sessions with a light-hearted approach and keep the wellbeing of participants always at the forefront.
