ABOUT US

Angel Shed is a charity based in north London, specialising in **inclusive performing arts** for **children and young people**. We provide a **safe space** for children to express themselves, develop **confidence**, and grow into **curious, creative, and courageous** young people.

Established in 2004, we have engaged **thousands** of children and young people across the capital. We are committed to providing **bespoke, accessible** creative projects for **everyone**.

WHAT WE CAN OFFER

Our outreach projects are for any organisation working with **children** or **adults** who want to provide **fun, meaningful, inclusive** projects that improve **health and wellbeing**, build **confidence**, and develop **performing arts skills**.

Our highly experienced and trained staff team deliver **high-quality artistic work** while providing the most appropriate **support** for each participant.

We are **flexible** in our approach to outreach. This allows us to **collaborate** with partner organisations, ensuring that each project is tailored to meet the **specific needs** of each group.

EXAMPLE FORMATS

CREATIVE WORKSHOPS

Workshops that focus on having fun, trying new things and working collaboratively.

They can look like:

- A dance workshop in a primary school as part of their physical education lesson
- A sensory and craft workshop in a library for families
- A music workshop in a secondary school as part of their music lessons
- A drama workshop for staff at a team building day

5-WEEK PROJECTS

Projects consisting of five weekly sessions that focus on fun, building skills, connection and relationships. They can also incorporate a final outcome in order to foster a sense of achievement.

They can look like:

- A drama project in a pupil referral unit which involves the group producing and performing their own new piece of theatre, building their confidence and speaking skills as a result
- A sensory project with a specialist school which responds to their curriculum and uses intensive interaction to develop the young people's communication skills
- A project with a secondary school in which pupils learn backstage theatre skills each week, e.g. puppetry, costume, set design and stage management

Maryam and Nichelle created an inviting and safe environment for our clients to fully enjoy and immerse themselves

LONG-TERM PROJECTS

Consistent weekly or monthly workshops that provide a regular safe space for participants to have fun, socialise with their peers and work towards a performance or other creative outcome.

These projects can look like:

- A music after-school club at a secondary school. Each term the group creates their own song and perform/record it.
- A drop in craft project at a youth club. Each week the group explore different crafting skills and produce artworks to take home.
- A sensory project for a charity working with Disabled people who have higher support needs. Each week the participants experience a new sensory story.

HOLIDAY PROJECTS

Multi-day projects that take place during school holidays.

They can look like:

- A 2-5 day project in your venue where the group play games, learn drama, dance and/or music skills and produce their own piece of theatre to perform in front of friends and family.

The students had a huge amount of fun and it was amazing to see their confidence boost week by week and their excitement to be part of the sessions. It can be difficult for external facilitators to pitch correctly for our students and they just blew us away!
